FAQ for Attending the AGM Online

Who can attend the 2026 AGM?
All members are welcome to attend the AGM in person. If you wish to attend online, you must register in advance.

How do I register to attend online?
You can register on savvi.ie. You will need:
- Full name
- Member number
- Email address
- Contact number

In line with GDPR requirements, you will be asked to consent to us using your personal data for AGM registration purposes.

When is the registration deadline?
Registration is open now and will close at 5pm on Friday, 4th December 2026.

Do I need an email address?
An email address is required to register for and attend the AGM online.

What personal data will be used?
We will collect your name, member number, email address and contact number. This information is required to verify your membership. Your name and email address will be shared with AVC Ltd., our Zoom service provider, solely for the purpose of administering the AGM. No information will be shared with any other third party. All members will join the AGM with their cameras turned off. Camera access will only be enabled on request.

Will I receive the AGM link immediately after registering?
No. Your registration details must first be verified against our membership records. Once approved, your registration details will be provided to AVC Ltd. and you will receive an email containing your unique Zoom link. Keep this email safe—you'll need the link to access the meeting.

Can I register or attend from my phone or smart device?
Yes. You can register and attend using any smartphone, tablet, or computer.
If you join on your phone, there will be limitations:
- You can raise/lower your hand.
- You will not be able to vote using a phone.

Do I need to download Zoom?
No, downloading Zoom is optional. You can join the AGM through your browser using the link provided.

How do I join the AGM?
Once your registration has been approved, you will receive an email containing your AGM link by Thursday, 10th December. To join, click the link in the email and wait a moment as access is granted.

Can I use more than one device to join?
No. Each member may join on one device only.

How does voting work at the online AGM?
Voting will take place via electronic polling.
- A poll will appear on your screen.
- Select your response and click Submit.
- You will be given sufficient time to vote, and the voting period will be announced during the AGM.
- Results will be shared with attendees once the poll closes.

Can I speak at the AGM?
Yes. If you wish to speak:
1. Use the Raise Hand feature in Zoom.
2. Indicate whether you would like to appear on camera.

You will be invited to speak at an appropriate point in the meeting.
- Your microphone will be temporarily unmuted.
- When you have finished speaking, you will be muted again.
- You cannot unmute yourself after speaking.
