Credit Union

Who is Savvi Credit Union?

Savvi is the Credit Union serving the majority of those living, working, and studying in Dublin 1, 2, and 4. We have been around since the 1960s, so our expertise and know-how has built up over many decades.

With strong community roots, Savvi has evolved into the Credit Union for the modern workplace. 'Savvi@Work' is our specialised programme, tailored to your employees' financial needs and dedicated to help them save, budget, and borrow more efficiently.

Savvi is the official Credit Union partner of over 20 companies, including the likes of ESB and The Irish Times.

Once onboarded as members, your staff can access:

flexible loans at great rates

a budget account that allows them to manage all annual household bills & costs

free loan protection & life insurances

our bi-monthly car draw, with the chance to win a brand new car

“Savvi CU have been of huge benefit to our staff over the years — we see Savvi as integral to our organisation and encourage our people to avail of its services”

ESB CEO, Paddy Hayes

So, how does it work?

Relationship Manager/ team

A dedicated ‘Savvi@Work’ relationship manager, supported by our service team, will be allocated to your company. Employees will be able to directly contact this manager if they have any financial questions or queries.

A communication plan is scheduled to suit your company

We can arrange to be on-site physically or virtually as little or as often as you like.

Examples from other partners include; a ‘pop-up’ style presence on assigned days, presentations given at staff inductions, contributor to monthly staff newsletters.

We also run ‘Savvi Bites’ webinars which aim to inform and educate your staff on topics such as home improvements and electric vehicles.

Deduction at Source (DAS)

DAS is a handy & helpful way to repay loans and make savings. Repayments and savings can be taken directly from an employees salary. Working alongside your payroll, we can help take care of implementation.

All of the above is set up for FREE.

Get in touch today

More and more companies in Dublin 1, 2 & 4 are introducing Savvi@Work into their workplace. You can be up and running in no time, with benefits that will last a lifetime.

For more information about our programme, contact our business team at myworkcu@savvi.ie
