Catherine Mitchell, Wexford
Anne Bermingham, Westmeath
Shane Carty, Donegal
Emma Burke, Laois

# Take Control of Your Bills with a SavviPay Budget Account

A SavviPay Budget Account makes budgeting easier by helping you spread the cost of household bills evenly across the year.

Simply estimate your annual expenses—including mortgage or rent, utilities, insurance, property tax, school fees and even seasonal costs like Christmas—and we calculate a regular weekly, fortnightly or monthly payment.

We add a 5% contingency to cover unexpected expenses - and any unused balance is available for you to withdraw at the end of the year.

Your payments are made by Direct Debit, or salary deduction at source, into your dedicated SavviPay account, from which bills are paid on your behalf.

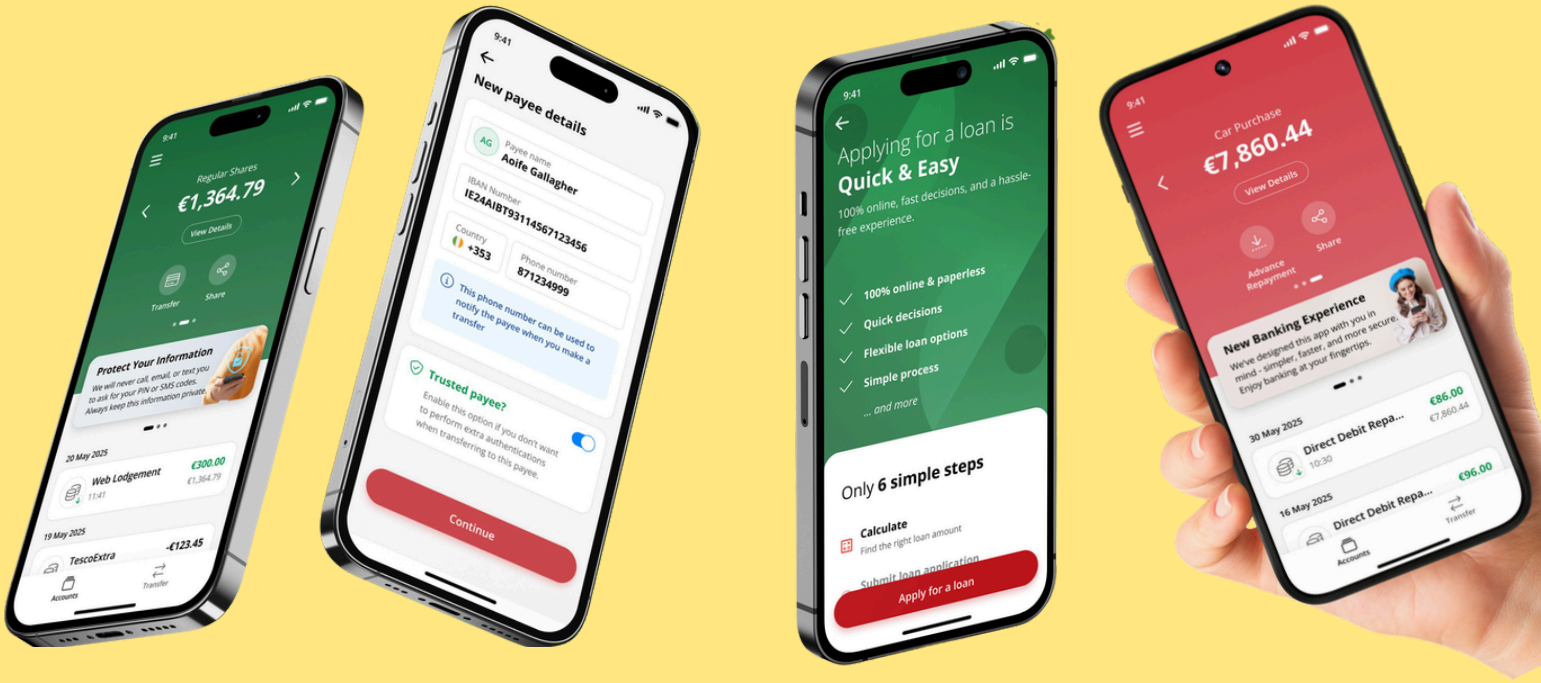

Your bills are planned, covered and organised— so you can spend less time worrying about finances and more time focusing on what matters most!

- **Ringsend Branch**: 5 Irishtown Road, Ringsend, Dublin 4 (Monday, Wednesday, Thursday, Friday)
- **Docklands Head Office**: 56 Sir John Rogerson's Quay, Dublin 2 (Monday - Friday).

# Beware of Customs Charge Scams

Credit union members are being urged to stay alert to a rise in scam texts and emails linked to new customs charges on online purchases arriving from outside the European Union. Since 1 July, customs charges apply to all goods entering Ireland from countries such as Britain, the United States and China, including lower value items that were previously exempt.

Scammers are taking advantage of these changes by sending messages that appear to come from delivery companies, requesting payment through links. These links are designed to steal your card and personal details.

**Remember:**

- Be cautious of unexpected texts or emails requesting customs payments.
- Never click on payment links in unsolicited messages.
- Revenue Commissioners do not collect these charges directly from consumers.
- An Post will never send a click-through link requesting payment of customs charges.

**Stay vigilant and shop safely online!**

# Save with Savvi Credit Union

**Save Today, Stress Less Tomorrow**

Save little by little for life's big seasonal costs

Our Christmas Saver and new Back to School Saver accounts are designed to help our members plan ahead for seasonal expenses.

By saving regularly throughout the year, you can make it easier to manage the costs of Christmas and the new school term without the stress of financial pressure or unexpected bills.
